

## **Crowded House | Gatherings**

Looking for a place to connect? Come check out a Crowded House gathering. Crowded houses are open houses where you try to cram as many people as possible in a house to connect, build relationships, have fun and begin to experience what it means to do life together. It's simply a big party with the whole purpose of getting to know others around you. No long term commitments, no need for childcare just an easy environment to connect with other individuals and families right down the street. What will we do? You'll snack, play games, hang out, talk, let the kids play, watch a game, or a movie. Take a look at the following dates and call or e-mail the host to let them know you'd like to join them. If they are already full you can either rsvp to come to the next one or check out another crowded house gathering. Everyone in the family is included, so don't let the need for a babysitter keep you away!
